WHAT THE FARMER SAW.  
These ladies shown upon the beach,  
Jeminy! How they eye you!  
They're sure to say you are a peach,  
And do their best to gey you.  
Upon the sand all day they lie,  
A-firtin' with their fellows,  
In bathin' suits that's shockin' high,  
And gay with reds and yellows.  
One gal that's there is just the boss,  
She's always gay and talkin'.  
One night she gave her head a toss,  
And then she went a-walkin'.  
"Come, love, out in the stilly night,  
My only love!" she hollered;  
And all the boys that was in sight  
Arose on masse and followed!

HONESTY REWARDED.

The Ledger Has a Ten-Dollar-Bill Awaiting Colonel Mose Hull.

It pays to advertise—and find things.

Circus Day—everything in the way of mishap now dates from the Barnum-Bailey Show—Mr. George W. Rills of West Union, O., was one of many thousands who came to Maysville to see the camels and the clowns, and like scores of other visitors also, he became uncoupled from a large bill book.

In this book were many papers of value to Mr. Rills, and he offered through THE LEDGER a reward of \$10 for its return.

The day following the advertisement Mr. Moses Hull of the Sixth Ward towed the book into this office.

And yesterday Mr. Rills came over and was made happy.

And if Mr. Hull will drop in he will find one of Uncle Sam's great big sawbucks awaiting him.

It pays to—if you don't believe it, ask Mr. Rills or Mr. Hull.

CHALMERS T. WEST.

At 1:30 p. m. yesterday, at the home of his parents at Moyers occurred the death of Mr. Chalmers T. West.

The announcement of the passing away of Mr. West will be learned with the deepest regret by his scores of friends in this city, where in the past few years he had resided. He was a young man of sterling worth, of steady habits, and who, by his own efforts, was making his way in the world.

Mr. West had for several years been connected with the Internal Revenue Service of the Seventh Kentucky District.

For a term he was Stamp Deputy under Collector Sam J. Roberts, at the close of which he served as Storekeeper-Gauger.

He was a victim of consumption and early in July left Maysville for a trip to Colorado, hoping the change would benefit him.

After a three months stay in that state and in Kansas, his health gradually declining, he returned home, and for the past two weeks had been at the home of his parents at Myers.

Besides his parents, Mr. West is survived by his wife and one son, Harbour Russell West.

He was a member of DeKalb Lodge No. 12, I. O. O. F., and of Wyandotte Tribe No. 3, I. O. R. M. of this city.

Up to the hour of going to press THE LEDGER has not been able to ascertain the funeral arrangements.

ATTENTION, REDMEN.

Called meeting of Wyandotte Tribe No. 3 at 2 o'clock tomorrow afternoon to make arrangements for the funeral of Brother West.

RUGS To Enthuse Over.....

The point we particularly wish to impress, is that this Rug Sale is THE occasion of October. At the new prices at which we have marked these Smyrnia Wiltons Axminsters and Brussels they are veritable bargains. Patterns, colors, qualities are the best imaginable. The reason for these stirring price reductions, is because in securing the stock of George Cox & Son we bought at a figure that enables us to step many notches below the regular price level. And remember if a bare spot in your house is yearning to be covered with a handsome rug, that you will have to delve deeper into your pocket to get rugs of these qualities, if you go elsewhere now, or wait to buy them later. All sizes and styles but the following at bargain prices in some sizes only:  
BEST SMYRNA RUGS—18x36 in. \$1 now 75c. 30x60 in. \$2.50 now \$2. 36x72 in. \$3.50 now \$2.50.

Do Good—It Pays.

A Chicago man has observed that "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine, it always cures. I know it for it has helped me out many a time." Sold by J. J. Jas. Wood & Son.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have also much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

HENRY FARLEY, a Walking Delegate, who is waiting trial on an indictment for perjury, alleged to have been committed in testimony he gave during the trial of SAMUEL PARKS, is announced by The New York World to have made a startling confession.

Numerous cases are enumerated in his statement of Walking Delegates in New York City and surrounding towns having successfully conspired to extort money from contractors and builders to avoid strikes or have them called off. The cases are related in minute detail.

FARLEY asserts that in one instance \$50,000 was procured from W. E. D. STOKES to stop interference with the building of the Ansonia Hotel at Seventy-third street and Broadway.

The confession was made to District Attorney JEROME in the presence of several assistants. Its telling occupied many hours. FARLEY asserts that the perjury with which he is charged was committed at the instance of a prominent lawyer. It consisted in his swearing that PARKS and he did not meet at any time on a day during which the prosecution had asserted that PARKS received \$200 from a Brooklyn contractor to avoid a strike. FARLEY admits, it is said, that the money was given in his presence, first in the form of a check, which was refused, and later in cash.

FARLEY was indicted after the PARKS trial and remained for some weeks in prison while his wife suffered from lack of the necessities of life. He was released on bail after the return of PARKS from the Kansas City Convention, and, through an understanding with the District Attorney's office, his trial on the perjury charge has been postponed until the next term of Court. He said his confession was given purely to relieve his conscience, and was only accepted by the District Attorney in that spirit and with the distinct understanding that it did not involve immunity.

The District Attorney is in possession of the name of the attorney in the case, together with the names of all the Walking Delegates alleged to be involved and disbarment proceedings are promised in connection with the other developments.

The emigrants via Hamburg and Bremen during the seven months ended July 31, 1903, numbered 205,168, against 170,032 during the same period of 1902. About 90 per cent. of this exodus comes to the United States. Germany furnished but a small part to this contingent, the bulk coming from Bohemia, Hungary, Roumania and Russia.

Dieting Invites Disease.

To cure dyspepsia or indigestion, it is necessary to live on milk and toast. Starvation produces such weakness that the whole system comes an easy prey to disease. Kodol (Dyspepsia Cure) enables the stomach and digestive organs to digest and assimilate all of the wholesome food that one cares to eat, and is a never failing cure for indigestion, dyspepsia and all stomach troubles. Kodol digests what you eat and makes the stomach sweet. Sold by J. J. Wood & Son, Druggists.

MRS. IDA McDONALD,  
Supreme Deputy of the Maccabees of the World.

MRS. McDONALD, No. 477 Beaubien Street, Detroit, Mich., is a prominent woman who was greatly benefited by the great woman's medicine, Wine of Cardui. Mrs. McDonald is the supreme deputy of the Maccabees of the World, and one of the most widely known women in the United States. Thousands of women gather to hear her lecture everywhere she goes. The great work she has done for the Maccabees is appreciated by every member of the order. She was so absorbed in her work that she neglected to give her health proper care—failed to take warning that the symptoms of approaching kidney trouble gave her, the sallow complexion and torpid liver. But Wine of Cardui cured her the same as it has cured thousands of others and Mrs. McDonald has written this letter in order that other suffering women may secure from Wine of Cardui the same relief she got from it.

Mrs. Ida McDonald.

that I must do something to regain my health. A friend advocated your Wine of Cardui treatment so strongly that I decided to try it, although I had little faith in patent medicines. I am now very thankful that I did so, for within ten days blessed relief came to me, and in less than three months I was cured, and have enjoyed fine health ever since. I know there is nothing better for a sick woman who wishes to enjoy perfect health and am very pleased to give my hearty endorsement.

"For four years I suffered with torpid liver until my skin looked yellow and dull. I then found my kidneys were affected and had severe pains across my back, and I felt

No suffering woman can afford to ignore such a letter as Mrs. McDonald writes. Her plans and advice have proved valuable in building up one of the greatest women's organizations in the United States and she takes time to give advice which she knows will help you. Do not delay in securing this medicine. There is nothing to gain and everything to lose by delay. The choice is before you. Will or will you not secure relief now by taking Wine of Cardui? All druggists sell \$1.00 bottles of Wine of Cardui as well as 25c packages of Theodor's Black-Draught.

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.

The authorized capitalization of street car lines in the United States in 1902 amounted to \$2,870,022,310, while the gross earnings from operation were \$247,553,999, and the net income after deducting all expenses, both operating and fixed charges, was \$30,506,977.

PLENTY OF IT.

Loos More Proof Like This, and It Is All From Maysville People.

"The proof of the pudding is in the eating of it." If any city or town in the Union has sufficient proof on the following subject it is Maysville. Genuine merit is finding its reward in the hearty indorsement of local citizens. When people right here at home, friends and neighbors of our readers, give a statement like the following for publication it is proof convincing for the most skeptical. Read this testimony:

Mr. A. W. McClannahan of 119 West Second street says: "The use in my case fully demonstrated the value of Doan's Kidney Pills. I suffered more or less from kidney trouble for twenty years, steadily becoming more persistent as time passed on. My attention was called to Doan's Kidney Pills and I got a box at J. James Wood & Son's Druggists, corner of West Second and Market streets. The treatment so greatly benefited me that my only regret is that I did not know of this valuable remedy years ago, for had such been the case I would have been saved much suffering."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

Stoop-Shoulder Months

One doesn't have to worry much about children getting round shouldered as long as they are out doors all the while. It is when they are inside, exercising less and bending over desks, that the injury is done. For this reason this is an especially timely season to put shoulder braces on the child that shows signs of stooping. It is folly to wait until the habit is fixed. We have the kind you should use, the ones universally conceded to be the best.

## He Learned a Great Truth.

It is said of John Wesley that he once said to a friend: "Why do you tell that child the same thing over and over again?" "John Wesley," because once telling is not enough." ## GRADUAL DECLINE

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking
